Support the Arizona Dental Foundation using your Charitable Tax Credit

For 2020, you may deduct up to \$300 in donations on your federal taxes as part of the CARES Act.

Annually, your gift provides over 1,500 vulnerable children and individuals with a special need free dental services statewide. Contribute \$400 as a single filer or \$800 for married filers. You can also claim your Arizona Qualified Charitable Tax Credit in addition to school tax credits and the foster care tax credit.

Tax credits are better than a deduction because your Arizona tax liability is lowered dollar for dollar.
